YOUR EVENT

You are welcome to book our facilities for your event. Our centre has several conference rooms, interpreting equipment and accommodation for up to 150 people. On request, we are happy to try to find foreign participants for your programme..

CUSTOM MADE PROGRAMMES

Once dates are agreed we can offer the following programmes:

Experience Nature: The Harz National Park is ideal for experiencing nature intensively. In this area we can offer educational programmes based either more on perception and imagination or more on direct experience. (Prospectus available!)

Global journey – help to influence globalisation on your school journey: we offer programmes for school classes of all types and ages on various subjects relating to globalisation. (Please ask for our special prospectus!)

Curious about Europe: We can offer programmes on such topics as EU expansion and human rights for youth and school groups.

Meet, understand act: Ways of finding identity and of living together in a spirit of tolerance in societies with immigrant populations.

And tomorrow we decide: This programme aims to show opportunities for participation in society and reflect individual ideas of the future.

Social competence: Dealing with situations ranging from conflict to cooperation, we work together on group dynamics and the communicative behaviour of the participants.

Learning how to learn: Self-organisation, presenting results: this programme teaches learning techniques for the final years of school and for preparation for higher education. (Please ask for our special prospectus)
